

Willow Smith - Overthinking IT

```
Bb
                                                                You just need to chill now, mmm
                            tom:
Intro: One, two, three, four
                                                                [Pré-Refrão]
[Primeira Parte]
                                                                And you told me you do
Cm7 Bb
                                                                Cm7
      Yeah, yeah
                                                                You told me you do
Cm7
                                                                Cm7
Wanna be here, I wanna be there
                                                                You told me you do
                                                                                  Bb7
                                                                             Bb
                                                                Everything I need, mmm Yeah, yeah
I'm overthinking it
Dm Bb
I'ma need to breathe now, mmm Yeah, yeah
                                                                Cm7
                                                                But we, we got so much work to do, yeah
I wanna be here, I wanna be there
                                                                        Bb7
Cm7
I'm overthinking it
                                                                Work to do, yeah
                                                                                          Dm
                                                                                                 Bb
I'ma need to leave now, mmm
                                                                Oh we, we, we got so much love to give, oh
                                                                [Ponte]
[Pré-Refrão]
And I told you I do
                                                                If you fall, follow me underground, we can be
Cm7
I told you I do
                                                                I can be anything that we want
Cm7
I told you I do
                                                                You're praying to your God, you're praying to your God
Dm Bb
Everything I need, mmm
                                                                After all, you can be anything that you want
But I know that sometimes
                                                                You're a queen, I'm a king and
                                                                You're praying to your God, you're praying to your God
I know that sometimes
                                                                After all, you can be anything that you want
I'm crippled by my mind
             Bb Bb7
I don't wanna be, mmm Yeah, yeah
                                                                You're a queen, I'm a king
[Refrão]
                                                                You're praying to your God, you're praying to your God
                                                                After all, you can be anything that you want anything
But I, I have so much work to do
                                                                You're praying to your God, you're praying to your God
B<sub>b</sub>7
Work to do, yeah
                                                                [Refrão]
                       Dm
And I, I have so much love to give
                                                                We, we got so much work to do, yeah
Love to give
                                                                        Bh7
[Segunda Parte]
                                                                Work to do, yeah
                                                                                         Dm
                                                                We, we, we got such much love to give
You wanna do this, you wanna do that
                                                                       Bb7
                                                                Love to give, yeah
Cm7
You're overthinking it
                           Bb7
                                                                Cm7 Dm Bb
You just need to sit down, mmm Yeah, yeah
                                                                Ah, oh
                                                                Cm7 Dm
Cm7
                                                                         Bb
You wanna be here, you wanna be there
                                                                Ah, oh
Overthinking all the thoughts
                                                                [Final] Cm7 Dm Bb
                                                                        Cm7 Dm Bb Bb7
