Intro: One, two, three, four
                                                                [Pré-Refrão]
[Primeira Parte]
                                                               And you told me you do
      Yeah, yeah
                                                               You told me you do
Wanna be here, I wanna be there
                                                               You told me you do
                                                                            Bb
                                                               Everything I need, mmm Yeah, yeah
I'm overthinking it
I'ma need to breathe now, mmm Yeah, yeah
                                                                Cm
                                                               But we, we got so much work to do, yeah
I wanna be here, I wanna be there
                                                                       Bb7
                                                               Work to do, yeah
I'm overthinking it
                                                                                        Dm
                                                                                               Bb
I'ma need to leave now, mmm
                                                               Oh we, we, we got so much love to give, oh
                                                                [Ponte]
[Pré-Refrão]
And I told you I do
                                                               If you fall, follow me underground, we can be
I told you I do
                                                               I can be anything that we want
I told you I do
                                                               You're praying to your God, you're praying to your God
