

Willow - Marceline

Tom: **G**
Intro: **A D E D A D E D**

A
I can't live another life
D
Spend another time
E
I can't spit another rhyme on Gaia
A
Guns and wars won't stop the fights
D
Not inside your mind
E
Love and communion, there's nothing better
D
Cheeks get redder
D
There's nothing better
D
Even in rough weather
D
It's raining knives, like all the time
D
And I'm alive, irayo eywa we're alive
A
Marceline, I'm coming to get you, girl
A
We're flying so high, catch a ride on Lady Unicorn
A
D

Marceline, I know you're not real in this dimension, I mean, oh

A
What's up with your dad up in the nightosphere?
E
Your tears, they're cleansing all my spheres
A
You touch my hair, I'm playing on your bass
E
But we don't care, we're messing up your space
A
You got nowhere to live, but you'll go back to space
E
Huh... take me with you
A
I'm sick of mildew
D
I'm sick of all of these humans telling me what to do
D
They make you stupid, but we are from Nibiru
E
Remember your cosmic roots
A
Marceline, I'm coming to get you, girl
A
We're flying, let's catch a ride on Lady Unicorn
A
Marceline, Marceline
A
Marceline, you're breathing in gasoline, oh
