

Wilson Renato - Ringo

Tom: A

m

Ringo lá no alto da colina, a mensagem foi chegando

Na batida de um tambor

Raptaram a mocinha, raptaram seu amor

Ringo Ringo sai em disparada, a caçada começou

Tudo pode acontecer

Ringo poderá matar, ringo poderá morrer

Ringo perguntando a todo mundo, mas ninguém lhe conta nada

Todos temem lhe dizer

Os minutos vão passando, aumentando seu sofrer

Ringo finalmente o hoteleiro, resolveu lhe confessar

E contar tudo que viu
Um casal chegou aqui, e ainda não saiu

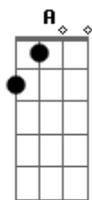

Ringo Ringo entra no salão, uma arma em cada mão

Começou o tiroteio
Bala vai, bala vem, Ringo acertou em cheio

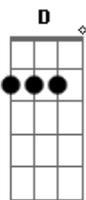

Ringo no desfecho desse drama, descobriu-se toda trama

Foi o fim de um raptor
Ringo agora está feliz, abraçando seu amor
