

Win And Woo - Chasing Tail

tom:
Cm

Woke up by your side Fm
You said, I'll never let you go Ab
But then you did Cm
I never knew that you would Bb
And after all, we all grow up Fm
But I stayed here and you don't give a fuck Ab Cm
You're living it up Bb
Please just stay the same Fm Ab
I hate to see you change Dm
But you think you need to Bb
Find yourself out with Ab
Something that's missing
I'm just kicking back Dm Bb
I'll wait here for you to figure F
Out just what life is to you now Ab
You're out there just chasing tail Cm Bb
You know that I got just what you want Fm
What you need, now come home to me
[Interlúdio] Ab Fm Dm Bb
Ab Fm Dm Bb
I'm just kicking back
I'll wait here for you to figure

Out just what life is to you now
You're out there just chasing tail
You know that I got just what you want
What you need, now come home to me
Fm Ab
Every holiday you come home stressed
But I make you feel like you had never left
Feels like you never left
So maybe this time you will see Fm Ab
It's comfort always coming back to me Dm
You know it's always been me, me Bb
Well, listen Ab
I'm just kicking back Dm Bb
I'll wait here for you to figure Fm
Out just what life is to you now Ab
You're out there just chasing tail Dm
You know that I got just what you want Bb
What you need, now come home to me Ab
I'm just kicking back Dm Bb
I'll wait here for you to figure Fm
Out just what life is to you now Ab
You're out there just chasing tail Dm
You know that I got just what you want Bb
What you need, now come home to me
