Wings - Don't Let It Bring You Down

```
                              tom:
                     Dm
Intro: Dm

Dm                      C        G       A   A  A
Though some things in life are hard to bear
F     G    A         Dm
Don't let it bring you down
Dm                    C    G       A  A  A
Should the sand of time run out on you
F     G    A         Dm
Don't let it bring you down

Am            F              Dm
Don't go down don't go underground
Am                      Bb
```
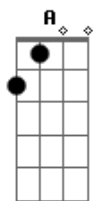

```
Things seem strange, but they change
                    A7
How they change
Dm                 C    G      A   A  A
Up and down your carousel will go
F     G    A         Dm
Don't let it bring you down

Am            F              Dm
Don't go down don't get out of town
Am                 Bb          A7  A  A7
Get to know how it goes, how it goes
Dm              C    G        A     A
When the price you have to pay is high
F     G    A         Dm
Don't let it bring you down
