

Wings - Juniors Farm

```
Let's Go, Let's Go
Intro: 2x: G F C D G
                                                              Down To Junior's Farm Where I Want To Lay Low
                                                              Low Life, High Life, Oh, Let's Go
(C)
                                                              Take Me Down To Junior's Farm
You Should Have Seen Me With The Pocker Man
                                                              Ev'rybody Tag Along
I Had A Honey And I Bet A Grand
                                                              (G F C D G)(2x)
Just In The Nick Of Time I Looked At His Hand
I Was Talking To An Eskimo
                                                                                                                  (C)
Said He Was Hopping For A Fall Of Snow
                                                              I Took My Bag Into A Grocer's Store
                                          \mathsf{Em}
When Up Popped A Sea Lion Ready To Go
                                                              The Price Is Higher Than The Time Before
                                                              Old Man Asked Me Why Is It More
Let's Go, Let's Go, Let's Go
                                                              I Said You Should Have Seen Me With The Poker Man
Down To Junior's Farm Where I Want To Lay Low
Low Life, High Life, Oh, Let's Go
                                                              I Had A Honey And I Bet A Grand
Take Me Down To Junior's Farm
                                                              Just In The Nick Of Time I Looked At His Hand
( G F C D G ) (2x)
                                         (C)
                                                              Let's Go, Let's Go, Let's Go
At The Houses Of Parliament
                                                              Down To Junior's Farm Where I Want To Lay Low
Ev'rybody's Talking 'Bout The President
                                                              Low Life, High Life, Oh, Let's Go
We All Chip In For A Bag Of Cement
                                                              Take Me Down To Junior's Farm
                                                         (C)
Olly Hardy Should Have Had More Sense
                                                              Let's Go, Let's Go
He Bought A Gee-Gee And He Jumped The Fence
                                                              Down To Junior's Farm Where I Want To Lay Low
All For The Sake Of A Couple Of Pence
                                                              Low Life, High Life, Oh, Let's Go
Let's Go, Let's Go, Let's Go
                                                              Take Me Down To Junior's Farm
Down To Junior's Farm Where I Want To Lay Low
                                                              Ev'rybody Tag Along
                                                                                                     Em
Low Life, High Life, Oh, Let's Go
                                                              Take Me Down To Junior's Farm
Take Me Down To Junior's Farm
                                                              Fm C G
                                                              Em D Em D C Bm Am
                                                              Em D Em D C Bm Am
                                                              C D G
