

Wings - She's My Baby

tom:

C

My baby... she comes out at night

She's takin' me by surprise

She's my baby

C F

Like gravy, down to the last drop

I keep mopping her up oh yeah

She's my baby

C Cadd9

F Fm

She's a baby in the morning time

When the sleep is in her eyes

And the world is waking up, she has arisen

Oh, believe me I ain't lying

She's a woman

F Fm

She's the lady in the evening tide

When the stars are in the skies

That's the time she changes back into a kitten

Oh believe me I ain't lying

C F

She's my baby... she comes out at night

She's takin' me by surprise

She's my baby

C G7

Like gravy, down to the last drop

I keep mopping her up, yeah, yeah, yeah

C Cadd9

She's my baby

F Fm

Well, she's a baby in the morning time

When the sleep is in her eyes

And the world is waking up, she has arisen

Oh, believe me I ain't lying

She's a woman

F Fm

She's the lady of the evening tide

When the stars are in the skies

That's the time she changes back into a kitten

Oh, believe me I ain't lying

C F

She's my baby... she comes out at night

She's takin' me by surprise

Yeah, she's my baby

C G7

Oh, like gravy, down to the last drop

I keep mopping it up, mopping it up, yeah

She's my baby
