                                                                    Α
Intro: G Bb Db
                                                               Till you go down again
       E Dm
                                                                     G
                                                               Till you go down
[Primeira Parte]
                                                               [Solo] Dm Gm Dm
Gm A Dm
Dm
Doctor Tom is getting on
                                                                [Terceira Parte]
Gm
   All he does is sign his name
                                                               Dm
                                                               Take what I need until I bleed
Dm
I get things my brainbox sings
                                                               Gm
                                                                   People will say I've gone insane
               A Dm
But I'll go down a-gain
                                                               Dm
                                                               Ain't scared to die, it's such a high
Dm
                                                                    Gm
                                                                             A Dm
Play with fire, getting higher
                                                               Till I go down a-gain
Gm
   Higher than a nine foot flame
                                                                [Refrão]
Dm
My soul is spent and so's the rent
                                                               Dm
              A Dm
                                                               Wino Junko can't say no
   Gm
But I'll go down a-gain
                                                                Gm
                                                                Wino Junko, eyes aglow
[Refrão]
                                                               Dm
                                                               Pill freak, spring a leak, you can't say no
Dm
                                                                    Gm
                                                                              A Dm
Wino Junko can't say no
                                                               Till you go down again
Gm
                                                                [Refrão]
   Wino Junko, eyes aglow
Dm
Pill freak, spring a leak, you can't say no
                                                               Dm
                                                               Wino Junko can't say no
               A Dm
     Gm
Till you go down a-gain
                                                               Gm
                                                                   Wino Junko, eyes aglow
[Segunda Parte]
                                                               Dm
                                                               Pill freak, spring a leak, you can't say no
Dm
                                                                     Gm
                                                                              A Dm
This and treat you crazy cat
                                                               Till you go down again
Gm
   Flying sideways once again
                                                                [Ponte]
Dm
I'm in a spin it makes me grin
                                                                                   Bb
                                                                                             Db E
                                                                    G
                                                                Till you go down (till you go down)
              A Dm
   Gm
But I'll go down a-gain
                                                                 Dm Dm Dm Dm
                                                               Again
[Refrão]
                                                                    Α
                                                                              Gm Gm
                                                               Till you go down again
Dm
Wino Junko can't say no
                                                                [Final]
                                                                         С
                                                                                   C
Gm
   Wino Junko, eyes aglow
Dm
Pill freak, spring a leak, you can't say no
                                                               C
    Gm
              A Dm
Till you go down a-gain
                                                                 Wino Junko
                                                               С
