

With Confidence - Pâquerette (Without Me)

Tom: C

Intro: C F C
Am G

C F C
You smell of daisies from the flowers in your hair

Am G
It's dancing all around that windy desert air

C
You slowly form your smile

F C
I'm no longer there

Am G
I'm no longer there, no

F
I'll be fine

G
You'll keep growing

F
I'll be fine

G
We both know it

C
I hope you're better off without me

G
In your bed and sleeping soundly

Am Em F
Dreaming in the arms of someone new

C
I hope you're better off without me

G Em
Bet you love the one you found

Am G F
He's perfect for you, everything you need

G
I hope you're better without me

(C F C)
(Am G)

C F C
I heard you stopped smoking, I heard you settled down

Am G
They say you broke your hold from that old paper town

C F C
And does he love you the way you deserve love now

Am G
You deserve love now, oh

F
I've been fine

G
And you've been growing

F
And I've been alright

G
And we both know it

C
I hope you're better off without me

G
In your bed and sleeping soundly

Am Em F
Dreaming in the arms of someone new

C
I hope you're better off without me

G Em
Bet you love the one you found

Am G F
He's perfect for you, everything you need

G
I hope you're better without me

(C F C)
(Am G)

C
This world just keeps turning

F C
That fire keeps burning

Am G
And we just can't slow it down

C
And that dream just keeps rolling

F C
That river keeps flowing

Am G
But I'm happy you've made it out

F
I've been fine

G
And you've been growing

F
And I've been alright

G
And we both know it

C
I hope you're better off without me

G
In your bed and sleeping soundly

Am Em F
Dreaming in the arms of someone new

C
I hope you're better off without me

G Em
Bet you love the one you found

Am G F
He's perfect for you, everything you need

G
I hope you're better without me

C
This world just keeps turning

F C
That fire keeps burning

Am G
And we just can't slow it down

C
And that dream just keeps rolling

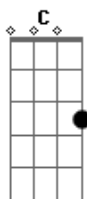

F C
That river keeps flowing

Am G
But I'm happy you've made it out

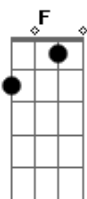

G
And I hope you're better without

G C
And I hope you're better without me
