

# Wiz Khalifa - See You Again

Tom: A

(pra tocar no tom da gravação original, usar um capo na 1ª casa)

Refrão:

It's been a long day  
Without you, my friend  
And I'll tell you all about it  
When I see you again  
We've come a long way  
From where we began  
Oh, I'll tell you all about it  
When I see you again  
When I see you again

Primeira Parte:

Damn, who knew  
All the planes we flew  
Good things we been through  
That I'd be standing right here  
Talking to you  
About another path  
I know we loved  
To hit the road and laugh  
But something told me  
That it wouldn't last  
Had to switch up  
Look at things different  
See the bigger picture  
Those were the days  
Hard work forever pays  
Now I see you in a better place

Pré-refrão:

How could we not  
Talk about family  
When family's all that we got?  
Everything I went through  
You were standing there by my side  
And now you gon' be with me  
For the last ride

Refrão:

It's been a long day

Without you, my friend  
And I'll tell you all about it  
When I see you again  
We've come a long way  
From where we began  
Oh, I'll tell you all about it  
When I see you again  
When I see you again

Interlúdio:

Oh oh oh oh..  
Oh oh oh oh..  
Uuhh..

Segunda Parte:

First, you both go out your way  
And the vibe is feeling strong  
And what's small turned to a friendship  
A friendship turned to a bond  
And that bond will never be broken  
The love will never get lost  
And when brotherhood come first  
Then the line will never be crossed  
Established it on our own  
When that line had to be drawn  
And that line is what we reached  
So remember me when I'm gone

Pré-refrão:

How could we not  
Talk about family  
When family's all that we got?  
Everything I went through  
You were standing there by my side  
And now you gon' be with me  
For the last ride

Terceira Parte:

So let the light guide your way, yeah  
Hold every memory as you go  
And every road you take  
Will always lead you home, home

Refrão:

It's been a long day  
Without you, my friend  
And I'll tell you all about it  
When I see you again  
We've come a long way  
From where we began
