

Wolf Alice - No Hard Feelings

tom:

Intro: D

D

No hard feelings, honey

There'll be no bad blood

Losing your love has been hard enough

Life can be short, but life can be sweet

No hard feelings, honey

The next time we meet

D

It's not hard to remember

When it was tough to hear your name

Crying in the bathtub

To "Love Is A Losing Game"

But there's only so much sulking that

The heart can entertain

No hard feelings, honey

Next time you come my way

(G7M D G7M D)

(G7M D G7M D)

D

The threads that kept us together

Were already wearing thin

Would we ever have tied the knot well

How long is a piece of string?

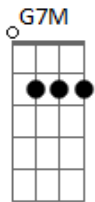

And for everything that ends

Something else must begin

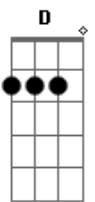

No hard feelings, honey

And we both will take the win
