tom:
Bm

Bm Em

There was a time when I would shatter at every hit or so

Bm Em

But now I barely feel the pain when I fall

Bm Em

This violence is turning to madness, we're getting what we sow

Bm Em

I'd tell you all that men are breaking, but you don't wanna know

G Bm Em

Don't waste your life observing the slaughter

G Bm Em

There is no time to grieve the Sun

G Bm D G

Take every chance of joy that you can find

G Bm D G

Any love of any kind

G A Bm

Go catch the light and shine it all around

G A Bm Em

It's all we have to survive this world

Don't find excuses for your anger, you're drowning in sorrow

Bm Em

When all the reasons to stay are selfish, you must go

Bm Em

I'll show you what this burden is hiding, the meaning of it all

Bm Em

How beautiful this life can be when you don't have to crawl

G Bm Em

Don't waste your life respecting the rulers

G Bm Em

There is no time you need to run

G Bm D G

Take every chance of joy that you can find

G Bm D G

Any love of any kind

G A Bm

Go catch the light and shine it all around

G A Bm

It's all we have to survive this world

G A Bm

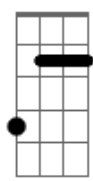

Don't think of all you had to leave behind

G A Bm

You're all I have to survive this world
