

## **XAKOL - Metal For Demons (feat. Detonator)**

```
For demons underground
                                                                  (Em ) D
                                                          D
                                                       For demons in the sky
m [Intro] Bm C Bm C Bm C G A
     Bm C Bm C Bm C G A
                                                         A (Bm ) A
                                                       For demons all around
        (C) Bm
                                                         G (A) G A Bm (C) Bm (C) Bm (C) GA
                                                       For demons till you die
For demons your life
  D
       (Em ) D
For demons your soul
                                                          Bm
                                                                  (C) Bm
   (Bm ) A
                                                       For demons under bed
Death and sacrifice
                                                         D (Em ) D
 G (A) G A Bm (C) Bm (C) Bm (C) G A
                                                       For demons even dead
For demons ?aruê aruô?
                                                          A (Bm ) A
                                                       For demons everywhere
  Bm (C) Bm
                                                         G (A) G A Bm (C) Bm (C) Bm (C) G A
                                                       For demons in your head
For demons a cat
  D (Em ) D
                                                              (C)
For demons the cow
A (Bm ) A
                                                       Smart demons, fool demons
Head of the bat
                                                       D (Em ) D
 G (A) G A Bm (C) Bm (C) Bm (C) G A
                                                       Demons of fools
                                                       A (Bm) A
For demons all now
                                                       All kinds of demons
   Bm
        (C) Bm
                                                       G (A) G A Bm (C) Bm (C) Bm A
For demons without you
                                                       For them you?re cool
  D (Em ) D
For demons with you
                                                       We begin the ritual
  A (Bm ) A
For demons inside you
                                                          D
  G (A) G A Bm (C) Bm (C) Bm A
                                                       For demons with our pals
For demons you?re cool
                                                       With sacrifice for demons
                                                          Α
We begin the ritual
                                                       And metal for you all
For demons with our pals
                                                       We begin the ritual
   G
With sacrifice for demons
              G A
                                                       For demons with our pals
And metal for you all
                                                       With sacrifice for demons
                                                       A G Ab A
We begin the ritual
