

# XAKOL - Runaway

tom:

Intro: **Bm** **D** **Bm** **D**

**Bm**  
Runaway from my illusions

**D**  
All I try hard to conceal

**A**  
No one encourages these obsessions

**G** **Gb** **Bm**  
I still want to make them real

Gotta reach for that horizon

**D**  
After all there's just one chance

**A** **G** **Gb** **Bm**  
Yet I lack some confidence

Runaway

Always wish to run away

**A**  
Never see any other way

**G** **Gb** **Bm**  
In my puzzled mind

Vanishing

In the darkness

All must fade

**A**  
Do you wish to run away

**G** **Gb**  
Any time

**Bm**  
Or any day?

**Gbm**  
Downwards, the way I start to fall

(**Dbm** **D** **E** **F** **Bm** **Dbm** **D** **E** **F**)  
Answers I seek at vertical

**Gbm**  
Remove all the memories that long last

(**Dbm** **D** **E** **F** **Bm** **Dbm** **D** **E** **F**)  
)  
Escape from the demons of my past

**Dbm** **B** **Dbm**  
No sense I find in what I read

**B** (**Gbm** **Abm** **A** **B** **C** **B?** **C#?** **D** **Eb**)  
Other point of view I need

**D**  
Kill all the thoughts I'm hiding

**E**  
Inside my doubtful mind

**Gb**  
Brush this filthy dust away

**G** **A**  
End my constant lust to

**Bm**  
Runaway

Always wish to run away
