

Xana Gallo - Abraço Caro

tom:

C

C

G7

Foram promessas de muito amor pra dar

Prometeu mares e um oceano

E falou que a moça mais linda era eu

Eu suspirava a cada acordar

Não me sentia sozinha nunca

Quando veio a onda do mar derrubar

Meu castelo de areia

Então, já era!

Foi-se o tempo da quimera

Tempo de ilusão, pudera

Você nunca deu valor

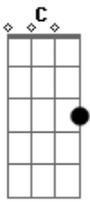

E não me abraça, não

Que esse abraço custou caro

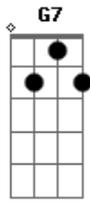

Tanto sonho, tanto prazo

Pra quem nunca permitiu o amor
