Gbm		I know it aint fair
And I?m falling for it		D
E		To somebody new
Cause everything sweet		D
E		Can?t let go of the love I still have for you
Comes with a warning		Gbm

And none of your friends		Gbm
E		And I love the way that she talks real quiet
Have a clue where you?re going		E
D		You know she?s afraid but can?t keep it inside
So where are we going?		A
