

Xavier Rudd - Follow The Sun

Tom: C

^G
Follow, follow the sun
^C
and which way the wind blows
^G
when this day is done.

^G
Breath, breath in the air.

^C
Set your intentions.

^G
Dream with care.

^{Am} ^C ^G
Tomorrow is a new day for everyone,
^{Am} ^C ^G
brand new moon, brand new sun.

^G
So follow, follow the sun,
^C
the direction of the bird,
^G
the direction of love.

^G
Breath, breath in the air,
^C
cherish this moment,
^G

cherish this breath.

^{Am} ^C ^G
Tomorrow is a new day for everyone,
^{Am} ^C ^G
brand new moon, brand new sun.

^F ^C ^G
When you feel love coming down on you
^F ^C ^G
like a heavy wave

^F ^C ^G
When you feel this crazy society
^F ^C ^G
headin' to the strand

^F ^C ^G
Take a straw to the nearest waters
^F ^C ^G
and remember your place

^F ^C ^G ^F ^C ^G
Many moons have risen and fallen long, long before youve came

^C
So which way is the wind blowin'

^G
And what does your heart say?

^G
So follow, follow the sun,
^C
and which way the wind blows
^G
when this day is done...
