

Xdinary Heroes - Again? Again!

```
Gateun malman banbokae, I think I fell in love again, oh,
                            tom:
                                                               what?
Intro: Rh
                                                               Rh
Ibeonen jinjjaya, it's my first
                                                               Dasineun apeuji ankiro gyeolsimhanjiga eonjende, hakseup
                                                               neungnyeogeun gangajina jwo beorinji orae
Jasin itge, shout out to my last
                                                               Somebody help me please, I think I'll never change
Oh, here again, here again, here again
                                                               Ttokgateun silsudeul banbokagin sileo
I feel again, beat again, crushed again
                                                               Neomu dalkomhae beolsseo ijeonne
