Only if it was that way

But there's some things that I can't change

So now  
Bm  
This ain't winter without you  
Am  
No more joy, no laughter  
Wish that I could  
B7  
Turn it back around when I'm falling down  
C  
So how

Days gone cold, so won't you

There's nobody else to run to

Believin' it like it's true  
 That you would come to rescue  
 I merry miss you, now tell me how  
 [Refrão]

Now tell me how  
 How am I supposed to go without you?  
 Days gone cold, so won't you  
 Say that you'll be home for Christmas?  
 So now (ooh, baby talk to me now)  
 This ain't winter without you (this is where I'm going down)  
 No more joy, no laughter (no need to worry about)  
 Wish that I could turn it back around  
 When I'm falling down

So how (when it's all falling down)  
 How am I supposed to go without you? (Just tell me how)  
 Days gone cold, so won't you (so baby won't you)  
 Say that you'll be home for Christmas?  
 [Final]  
 Ooh, baby talk to me now  
 This is where I'm going down  
 No need to worry about  
 Let me turn it around  
 When it's all falling down  
 Just tell me how  
 So, baby, won't you  
 ( B7 C )
