

Xutos & Pontapés - Prisão Em Si

Tom: D

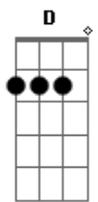

E numa prisão em si
 Não saindo do que é seu
 Foi esquecido, adormeceu
 (Bm A C Bb B)

E à procura do amanhã
 Andam homens inseguros

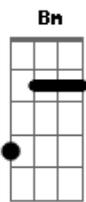

Erguem escadas, partem muros

A nós os montes imundos
 Dêem-nos os vales profundos
 Sítios onde é
 Impossível ir
 Ergam escadas
 Partam muros
 Ergam escadas
