

## XXXTentacion - Dead Inside

Tom: G

Dead inside  
Spend a lot of time stuck in this head of mine  
Under the assumption love is dead, already  
Just let me be here  
Where was I?  
When he was feeling on you with his hands, at night?  
Seen the vivid pictures in my head, at night  
It left me in tears

Am  
Where was I?  
Am  
When he was feeling on you with his hands?  
C  
Seen the vivid pictures in my head  
G  
I'm under the assumption love is dead  
Am  
Where was I?  
Am  
When he was feeling on you with his hands?  
C  
I'm under the assumption love is dead  
G  
Seen the vivid pictures in my head
