

XXXTentacion - Hope

tom:

[Refrão]

Okay, she keep callin, she keep callin' every single night
 Day and night, on my mind, please don't kill the vibe
 All alone, swear to God, I be in my mind
 Swear I wanna die, yeah, when you cross mind
 Said I wanna die, yuh, no, I'm not alright, yuh
 I might start a riot, yuh, I'm so fuckin' tired, yuh
 So what's up? What you say? Feelin' good, I'm feelin' great
 Tired of the fuckin' hate, stackin' cheese all on my plate

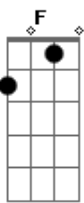

[Ponte]

So outside my misery, I think I'll find
 A way of envisioning a better life
 For the rest of us, the rest of us
 There's hope for the rest of us, the rest of us

[Refrão]

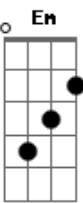

Okay, she keep callin, she keep callin' every single night
 Day and night, on my mind, please don't kill the vibe
 All alone, swear to God, I be in my mind
 Swear I wanna die, yeah, when you cross mind
 Said I wanna die, yuh, no, I'm not alright, yuh
 I might start a riot, yuh, I'm so fuckin' tired, yuh
 So what's up? What you say? Feelin' good, I'm feelin' great
 Tired of the fuckin' hate, stackin' cheese all on my plate
