

Yan Cantor - Pingo de Gente

tom:

Db

A primeira vez que eu escutei seu coração

Como segurar a emoção? Eu chorei

É inexplicável esse sentimento

Dá vontade de parar o tempo

Tá crescendo tanto, como tá mudando

Gb

Já tá um menino, filho, eu te amo

Olha como eu tô

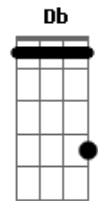

Um babão, um chorão que também

Foi promovido a ser herói de alguém

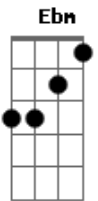

Me mostrou um amor diferente

Esse pingo de gente
