

Yana Perrault - 12:21

tom:
 Ooh Oh Oh Oh
 Yeah Yeah Yeah
 Mmm Heavenly Father, with your wisdom above
 Will I ever find love
 And a name that feels familiar
 All-knowing One, do you ever come out for fun
 Will we ever see your face
 Know you more than your blessings and grace
 Strange mercy and grace
 And I wish I had all of the answers
 Would we know better if we were older
 And I wish the world wasn't ending
 We don't have forever
 Ain't getting no younger
 Girl, keep it together
 Before we go underground
 Now, honey, I love you, but they say we're too young

Could I know at 21 if I'll love you tomorrow
 And you've got your dreams, and plenty of time, so it seems
 But we don't get eternity
 Forever's a luxury
 But we keep on dreaming
 And I wish I had all of the answers
 Would we know better if we were older
 And I wish the world wasn't ending
 We don't have forever
 Ain't getting no younger
 Girl, keep it together
 Before we go underground
 (keep it together, keep it together, keep it together)
 I wish I had all of the answers
 Would we know better if we were older
 I wish the world wasn't ending
 We don't have forever
 Ain't getting no younger
 Girl, keep it together
 Before we go underground
