

# Yasmim Sousa - Eu Não Te Condono

tom: G

Pela manhã os fariseus trouxeram uma mulher  
 Que estava cheia de pecado na multidão  
 E eles lhe disseram  
 Mestre uma mulher foi flagrada em adultério  
 Grave coisa cometeu  
 E agora te pergunto o que fazer?

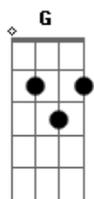

Atire a primeira pedra aquele que não tiver pecado  
 Todos saíram não ficou ninguém  
 Jesus perguntou onde estão os acusadores  
 E a mulher respondeu ao Senhor

Não há ninguém, ninguém me condenou

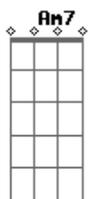

Vai não peques mais  
 Vai não peques mais  
 Eu não te condono  
 Nova vida te darei  
 Os meus sonhos realizarei  
 Vai não peques mais

Vai não peques mais  
 Teus pecados apaguei  
 Teus pecados apaguei  
 E perdoei
