Intro: G D Em

G  
We watch the light  
As it set from the sun  
All the ways we could run  
All the ways we could run

D  
Oh my, can you see the light  
Em  
From outer space?

G  
What was said what was done  
As the time had a ride  
All the ways we could run  
All the things we could try

D  
Oh my, could you tell me  
Em  
Where this is going to lead?

Cadd9 D Em  
And all the lights are shining on the sea  
Cadd9 D Em  
As the rolling waves crash along the beach

Cadd9 D  
And our minds were meant to sail  
Em  
Take a rest from our thoughts  
Take a brake from this world

Cadd9  
And we'll feel miles away  
D Em

From the places that we used to be

G  
As we lay in the sand  
And we stare at the sky  
Watch the moon dancing why  
As the stars latch your eyes

D  
Oh my, there's no place on earth  
Em  
I'd rather be

Cadd9 D  
In my eye this night just don't  
Em  
Feel real

Cadd9 D  
But I can feel your touch  
Em  
Promise you won't let go

Cadd9 D  
And our minds were meant to sail  
Em  
Take a rest from our thoughts  
Take a brake from this world

Cadd9  
And we'll feel miles away  
D Em  
From the places that we used to be

Cadd9 D  
And our minds were meant to sail  
Em  
Take a rest from our thoughts  
Take a brake from this world  
Cadd9  
And we'll feel miles away
