

Years & Years - Shine

Tom: G

G

I remember us alone

Bm

Waiting for that light to glow

A

Don't you feel that hunger

I've got, so many secrets to show

G

When I saw you on that stage

Bm

I shiver with the look you gave

A

Don't you hear that rhythm, can you

Show me how we can escape

Bm

(Ooh oh oh oh, Ooh oh oh oooh)

A

I was biting my tongue

I was trying to hide

Bm

(Ooh oh oh oh, Ooh oh oh oooh)

A

I'll forget what I've done

I will be redefined

(Chorus)

G

It's shaking the sky

B

and I'm following lightning

I'll recover if you keep me alive

G

don't leave me behind

can you see me I'm shining

and It's you that I've been waiting to find

G

I'm holding it all tonight

Bm

I'm holding it all tonight

A

you know that you make it shine

and It's you that I've been waiting to find

G

I'm holding it all tonight

Bm

I'm holding it all tonight

A

you know that you make it shine

it's you that I've been waiting to find

G

Now we can hear that sound

Bm

I know that you can hold me down

A

You can pull me under

you can raise everything to the ground

G

everything I can arrange

Bm

and every part of me you change

A

just hold on together to me

you'll always want me to stay

Bm

(Ooh oh oh oh, Ooh oh oh oooh)

A

I was biting my tongue

I was trying to hide

Bm

(Ooh oh oh oh, Ooh oh oh oooh)

A

I'll forget what I've done

I will be redefined

(Chorus)

G

It's shaking the sky

B

and I'm following lightning

I'll recover if you keep me alive

G

don't leave me behind

can you see me I'm shining

and It's you that I've been waiting to find

G

I'm holding it all tonight

Bm

I'm holding it all tonight

A

you know that you make it shine

and It's you that I've been waiting to find

G

I'm holding it all tonight

Bm

I'm holding it all tonight

A

you know that you make it shine

it's you that I've been waiting to find

(Bridge)

G

I wanna be the one you steal

Bm

I wanna be the one you shield

Am

I wanna be the one

True love, true love

can you hear?

G

I wanna be the one you steal

Bm

I wanna be the one you shield

A

I wanna be the one

True love, true love

(Chorus)
