

# Years & Years - Worship

Tom: **G**

**Em**  
Wanna I be here tonight  
**Em**  
Wanna hide in your light  
**Em**  
Wanna cover my eyes,  
**Am**  
I feel you reflecting me  
**Bm** **Em**  
I worship all that you see

**Em**  
Can I still make it right?

Can I be what you like?

Can I keep up this fight?

**Am**  
I hope that you'll never know  
**Bm** **Em**  
Why I need your control

**C**  
(I'm holy, I want you to know)  
**D** **Em**  
You're all I need to survive  
**G**  
Blind devotion  
**C**  
(I'm holy, I want you to know)  
**D** **Em**  
And you'll be my sacrifice  
**G**  
Say you love what I love

**Em** **D**  
I worship our praises,  
**Bm** **C**  
My longing drives me crazy for you  
**Em** **D**  
My kingdom for your graces

**Bm** **C**  
**Em** **D** **Bm**  
I'm not gonna tell nobody, I'm not gonna tell nobody 'bout you  
**C** **Em** **D** **Bm** **C**  
I'm not gonna tell nobody 'bout you

**Em**  
Gotta hold my head up,  
**Em**  
Gotta move for her touch  
**Em**  
Gotta keep my lips shut  
**Am**  
I do what you tell me to  
**Bm**  
Cause in darkness I follow you

I follow you!

**C**  
(I'm holy, I want you to know)  
**D** **Em**  
You're all I need to survive  
**G**  
Blind devotion  
**C**  
(I'm holy, I want you to know)  
**D** **Em**  
And you'll be my sacrifice  
**G**  
Say you love what I love

**Em** **D**  
I worship our praises,  
**Bm** **C**  
My longing drives me crazy for you  
**Em** **D**  
My kingdom for your graces  
**Bm** **C**

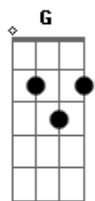

**Em**  
I'm not gonna tell nobody, I'm not gonna tell nobody 'bout you  
**D** **Bm** **C**  
Just tell how I can prove  
**Am** **Bm**  
I'm the one for your fire, and I'll take you higher  
**C** **D**  
I'll do it for you, and you can worship me too

(**Em**)  
I'm holy, I want you to know  
**Em**  
I'm holy, I want you to know  
**Em**  
I'm holy, I want you to know  
**Em**  
I'm holy, I want you to know  
**Em**  
I'm holy, I want you to know

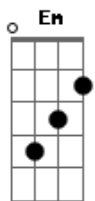

**Em** **D**  
I worship our praises,  
**Bm** **C**  
My longing drives me crazy for you  
**Em** **D**  
My kingdom for your graces  
**Bm** **C**

**Em** **D**  
I'm not gonna tell nobody, I'm not gonna tell nobody 'bout you  
**Em** **D**  
I worship our praises,  
**Bm** **C**  
My longing drives me crazy for you  
**Em** **D**  
My kingdom for your graces  
**Bm** **C**  
**Em** **D** **Bm**  
I'm not gonna tell nobody, I'm not gonna tell nobody 'bout you
