

Yebba Smith - Evergreen

Tom: A

[Primeira Parte]

I kissed my penny and I threw it in
I prayed I'd keep my soul
Went down to the river where the water bends
The only place I know

[Pré-Refrão]

Oh, I can't see
The forest
For the trees

[Refrão]

So will you wait for me?
Will you wait for me?
Will you wait for me?
My evergreen

[Segunda Parte]

Standing at the water's edge
The Mississippi's overflowing
Hold your current in my hands
You bring the meaning to my moments

[Pré-Refrão]

Oh, I can't see

The forest
For the trees

[Refrão]

So will you wait for me?
Will you wait for me?
Will you wait for me?
My evergreen

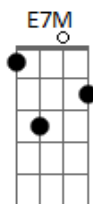

[Ponte]

Oh, I can't see
The forest
For the trees
Oh, I feel so
Hopeless against the stream

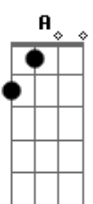

[Refrão]

So will you wait for me?
My evergreen
I know it's just as hard in Heaven
So will you wait for me?
My evergreen
I know it's just as hard in Heaven
My evergreen
Evergreen
My evergreen
