[Verse 1]

Dm Am G  
Lately I've been afraid of myself  
Dm Am G  
The closer that I get to rain  
Dm Am G  
The more I feel at home, the further I'm away  
Dm A Dm  
And all that I feel is pain

[Chorus]

Dm Am G  
Count me, count me, call my name  
Dm Am G  
Don't leave me out in shame  
Dm Am G  
Cause these crimson tears falling and my shirt is blood-  
stained  
Dm A Dm  
And the devil's forever in my veins  
Dm Am G  
0000000000000000

Down on my knees, can you hear me when I pray?

Or am I a little too late
