## **Acordes**

Ebm

Oh don't you see it now?

Abm Bbm
I'm staying for a little while

I looked you right in your eye
And asked you why it has to be this way
I don't know
And to my suprise, you did say
This is just you and I babe
You and I babe

Oh don't you see it now? I'm staying for a little while Oh don't you see it now? I'm staying for a little while

So I'm gonna ride I'm going the other way I would've told you why If there was any space for me To say, to say

Oh don't you see it now? I'm staying for a little while Oh don't you see it now? I'm staying for a little while
