

Yellowcard - Always Summer

Tom: E

Verse 1:

I think I have everything I need
It got dark but now I think I see
The world around is full of
arms still reaching out to me
I hear the notes and
belt them back to you
I feel loved I'm
burning like a fuse
I'm not afraid cause I know
I've got nothing left to lose

Chorus 1:

I just want to say I know
I let you down but I'm ready now
And I found a way that I can tell
the truth make it up to you

Verse 2:

I know that I have
always walked the line
In between my confidence and
lies So many scenes are full
of lines I wish I could
rewind But here you are
forgiving me again
You'll never know how
real to me you've been
This is a start another
empty page where I begin

Chorus 2:

I just want to say I know
I let you down but I'm ready now
And I found a way that I can tell
the truth make it up to you
I left home but there's one
thing that I still know
Its always summer in my
heart and in my soul

Bridge:

I loved you first
I love you still
I always will
I loved you first
I love you still
I always will

Its always summer in my
heart and in my soul
Its always summer in my
heart and in my soul
Its always summer in my
heart and in my soul
