

# Yellowcard - Cigarette

Tom: **D**

Watching the days burning out like a cigarette,  
just a few drags to go.  
You built me up and you broke me down, somehow  
Everything just seemed so clear to me, nothing left  
to know  
I'll love you right and i'll love you pure, right  
now  
How can you say, that its too late

To save us now

And I would wait for you, if you would wait for me  
And i will Wait for you, if you will wait for me  
Intoxicated, the edge is serrated, so easily torn  
from the core  
I blushed the first time, but you blushed the last  
time my eyeshit your mind  
Regenerated these feelings of hatred, i long for  
your love evermore  
You built me up and you broke me down this time
