Yellowcard - Date Line (I Am Gone)

Tom: C

F Am Is this just a matter of me getting what I needed? Till I was safe upon the other side Of the international dateline Am And it's just a matter of Me keeping myself seated Till the pilot killed the overdrive Am F C And landed in a place where you can't find me there Am FC Find me there When you hold one chance G And you break your hands Am When the secret's safe F And you call my name C Then I am gone Am I'm tired of you and me (Tired of you and me) And the space that's in between (Space that's in between) And I would rather be somewhere With better thoughts and warmer air Am I'm tired of trying to be (Tired of trying to be) Somebody different than me (Different than me) I'm tired of trying to shine it on When the lights go out tonight, I'm gone Am F I'll run from here Am F C Run When you hold one chance G And you break your hands Am When the secret's safe

Acordes

F And you call my name When the hurt gets real Then you still can feel Am When you can't escape F And you cannot stay С Then I am gone (ponte) C Am G C F Safe upon the other side Of the international dateline I landed in a place where you can't find F C Am You can't find me there (2x) When you hold one chance G And you break your hands Am When the secret's safe F And you call my name When the hurt gets real G Then you still can feel Am When you can't escape F And you cannot stay C Then I am gone Safe upon the other side Of the international dateline I landed in a place that you can't find When the last plane leaves And you cry for me Am When you lie awake And you feel it break Then I am gone
