Yellowcard - Sing For Me

```
Tom: C
Intro: C  Am  F  C

C
Look at me
         Am
And listen close
          F                        C
So I can tell you how I feel before I go

C
Just a year
           Am
It's not much time
            F                         C
For me to show you I am proud that you are mine

Dm           F
I wish I had known
                  Dm
The future in my heart
F
Was just about to start

C
Say tomorrow
F                 Am
I can't follow you there

Just close your eyes
      F
And sing for me

C
I will hear you
F
Always near you
       Am
And I'll give you the words
         F
Just sing for me

C
Every lock
          Am
On every door
            F                        C
I put them there to try and hide you from the world

C
And you kicked
             Am
Yeah you screamed
              F                       C
You never understood you're everything to me

Dm              F
I just hope you know
                   Dm
The future in your heart
     F
Is just about to start
```
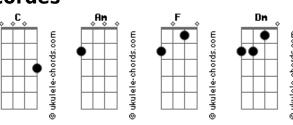

```
C
Say tomorrow
F                 Am
I can't follow you there

Just close your eyes
      F
And sing for me

C
I will hear you
F
Always near you
       Am
And I'll give you the words
         F
Just sing for me
Am                          F
No looking back when I am gone
Am                            F
Follow your heart it?s never wrong
Am                          F
No looking back when I am gone
Am                                F
Don't second guess the note you're on

C
Out of time
            Am
All out of fight
               F                         C
You are the only thing in life that I got right

C
Say tomorrow
F                 Am
I can't follow you there

Just close your eyes
      F
And sing for me

C
I will hear you
F
Always near you
       Am
And I'll give you the words
         F
Just sing for me

( C  F )

Am
Just close your eyes
      F
And sing for me

( C  F )

Am
Just close your eyes
      F
And sing for me
