Tom: **G**  
Intro: **G D**

I feel with no **G**emotion  
My eyes laying in your **D**bed  
You're such a **G**pretty summer lover  
But I can't **D**stay  
We're flirting, kissing, **G**but no hands  
You like to move I like to **D**dance  
We're flirting, kissing, **G**but no hands  
You like to move I like to **D**dance  
What a **G**pretty summer lover  
What a **D**pretty summer lover  
What a **G**pretty summer lover  
What a **D**pretty summer lover  
I felt with that **G**emotion  
When your hands **D**touched my face

I just had that **G**feeling  
That I knew you **D**from away  
More than just a **G**connection  
It was so **D**strange  
The moment of **G**perception  
I knew I needed a **D**taste  
What a **G**pretty summer lover  
What a **D**pretty summer lover  
What a **G**pretty summer lover
