Tom: **G**
Intro: **G D**

I feel with no **G**emotion
My eyes laying in your **D**bed
You're such a **G**pretty summer lover
But I can't **D**stay

We're flerting, kissing, **G**but no hands
You like to move I like to **D**dance
We're flerting, kissing, **G**but no hands
You like to move I like to **D**dance

What a **G**pretty summer lover
What a **D**pretty summer lover
What a **G**pretty summer lover
What a **D**pretty summer lover

I felt with that **G**emotion
When your hands **D**touched my face

I just had that **G**feeling
That I knew you **D**from away
More than just a **G**connection
It was so **D**strange
The moment of **G**perception
I knew I needed a **D**taste
