

# Yo La Tengo - Some Kinda Fatigue

Tom: **G**

(intro) **Am**

(riff)

**Am** **Gm**  
Sitting in a parked car  
**Am** **Gm**  
Trying hard to smile  
**Am** **Gm** **D**  
But I've been looking for one good reason  
**Am** **Gm** **D**  
But I haven't found it yet

(riff)

**Am** **Gm**  
Took awhile, well, what's it gonna be?

**Am** **Gm**  
The way it's got to be  
**Am**  
I know it's out there  
**Gm**  
One good reason  
**Am** **Gm** **D**  
But I haven't found it yet

(solo)

**Am** **Gm**  
I'm stepping away, stepping away from you  
**Am** **Gm**  
Some weird kinda fatigue  
**Am**  
Someday I'll find it,  
**Gm**  
One good reason  
**Am** **Gm** **D**  
But I haven't found it yet
