

Yo La Tengo - You've Got a Friend

tom:
Intro: E E Ebm Ab7

When you're down and troubled
And you need a some love and care
And nothing
Nothing is going right
Close your eyes and think of me and soon
I will be there
To brighten up even your darkest night

You just call out my name and you know wherever
I am I'll come running to see you again
Winter, spring, summer or fall all you
Have to do is call and I'll be there
You've got a friend
If the sky above you should turn
Dark and full of clouds and that old north
Wind begin to blow
