

Yohann Noneamcher - Stay

tom:
Eb (forma dos acordes no tom de D)
Capostrate na 1ª casa

I Want her you say stay
Stay a million ways
Stay
Dont go away

I want to say
U make me feel that way
I need your blue eyes
I need you every time

[Refrão]

I going with you every were
If u need me i will be there
Put my fingers on your hair
Give all the kisses
All the kisses i have

I going with you every were
If u need me i will be there
Put my fingers on your hair
Give all the kisses
All the kisses i have

If u need to be alone
Alone for your own
I thing about your past

What that world made for you (made to you)

I want you
I dont want to ride you
A picture of my wall
For you i want all

[Refrão]

I going with you every were
If u need me i will be there
Put my fingers on your hair
Give all the kisses
All the kisses i have

I Want her you say stay
I love you every day
Dont go away
For another day

(Lento)
[Refrão]

I going with you every were
If u need me i will be there
Put my fingers on your hair
Give all the kisses
All the kisses i have

I Want her you say stay
I love you every day
Dont go away
For another day
