Tom: **E**

m
 You say you really know me
Em
 you're not afraid to show me
C
 what is in your eyes

Em
 So tell me about the rumors
Em
 Are they only rumors?
C
 Are they only lies?

D **C**
 Falling out of a perfect dream,
D **C**
 coming out of the blue

Em
 Is it true?
C
 Is it over?
G **D**
 Did I throw it away?

Em
 Was it you?
C
 Did you tell me
G **D**
 you would never leave me this way?

Em
 Is it true?
C
 Is it over?
G **D**
 Did I throw it away?

Em
 Was it you?
C
 Did you tell me
G **D**
 you would never leave me this way?

Em
 If you really knew me
Em
 You couldn't do this to me
C
 You would be my friend

Em
 If one of us is lying
Em
 There's no use in trying
C
 No need to pretend

D **C**
 Falling out of a perfect dream,
D **C**
 coming out of the blue

Em
 Is it true?
C
 Is it over?
G **D**
 Did I throw it away?

Em
 Was it you?
C
 Did you tell me
G **D**
 you would never leave me this way?

Em
 Is it real?
C
 Did I dream it?
G **D**
 Will I wake from this pain

Em
 Is it true?
C
 Is it over?
G **D**
 Baby did I throw it away?
Em
 Ooh, is it true?
