

# Yoñlu - I Know What Is Like

Tom: **A**

m  
I know what it's like  
To be left out when all your friends try the new hip suicide  
thing  
And I know what it's like  
When your wanksock's found and worn by another guy

I know what it's like  
And I know it's a crime too  
But what makes me try again  
Is to bear the thought of you  
(Youuuu uuuuu)

I know what it's like  
To feel like there is somebody watching you  
And I know what it's like  
To turn around and see that they were indeed watching you

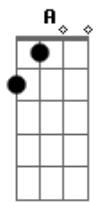

Yeah I know what it's like  
And you know that's what I'm marred by  
Memories of old times  
Made me who I'll never be  
Me

Yeah I know what it's like  
To be picked last in soccer practice and shithole prostibules  
And I know what it's like  
To have to trade a girlfriend for a muse

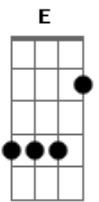

And I've been known to say  
The world is a dance of chairs  
Suiciniv is my name  
Guess I nearly had you there

Yeah
