And I've always told lies for love

F
I'm bound by these choices so hard to make
Dm Am
I'm bound by the feeling so easy to fake
Bb C F
When None of this is real enough to take me from you

F Am
Oh I've got reservations
Dm Am
About so many things
Dm C
But not about you
```

```
I know this isn't what you were wanting me to say % \left\{ 1\right\} =\left\{ 1\right\} =

  About so many things
  But not about you
                                                                                                                                     Am
       F
  I've reservations
            Dm
  About so many things
          Dm
  But not about you
Not about you
Not about you
  Not about you
     It's not about you
