

Yoshiki - Red Swan (feat. HYDE)

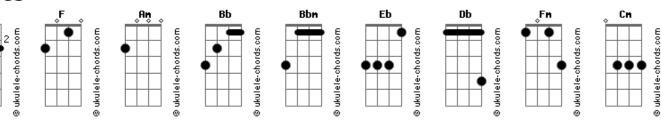

```
tom:
             F
Like the scarlet night
     Am
Veiling the dark
  Bh
You can hide your fear
Can lie, my dear
And even if it hurts
Don't forget your dreams
                 Bb
And even if they're soaked in blood
    Bbm
Spread your wings
Like a fallen angel
Cast away by the sky
         Bb
Feel like I'm spiraling
         Bbm
Through the winds of time
Into the starry night
        Αm
I met a Goddess and she
       Bb
                 Bbm
Embraces me into eternity
    F
Fly into heaven
What's the lie?
What's the truth?
What to believe?
```
