

# Young The Giant - Mirror Master

tom:

Intro: Am

[1ª Parte]

Am  
Look in the mirror, familiar figure  
F Staring right back at me Dm  
Am  
Split decision, now my reflections talking  
G But I didn't speak Dm  
Am  
He said oh my god you're piecing it together  
F You are just a shadow of me Dm  
Am  
Oh my lord you've never left the mirror  
G You were never ever free Dm  
F Gb G Ab  
But tonight, you will play the tambourine

( A A D )  
( A A D )

[Refrão]

A  
You will be the chosen master  
E You will leave with the girl this time D  
A  
You will be the leading actor  
E Movie of your own design D  
A  
And when you hit disaster  
E The answer will be yours to find D  
A  
You're the mirror's master  
E Now forever I'm resigned D Am

[2ª Parte]

Am  
Take in the vision  
F My imperfections shatter in the mirror of me Dm  
Am  
Another shadow slips in to the chateau  
G Hoping that I cannot see Dm  
Am  
I said oh my god I'm piecing it together  
F You were just a memory Dm  
Am  
Oh my lord you never left the mirror  
G You were never ever free Dm  
F Gb G Ab  
But tonight, you will play the tambourine

( A A D )

( A A D )

[Refrão]

A  
You will be the chosen master  
E You will leave with the girl this time D  
A  
You will be the leading actor  
E Movie of your own design D  
A  
And when you hit disaster  
E The answer will be yours to find D  
A  
You're the mirror's master  
E Now forever I'm resigned D
