

Young The Giant - My Body

Tom: **A**

E
Stop! The train is riding
Down to the station where you lived

When we were school kids
E
Hey! The rails are caught now
And I am falling down **A**

Fools in a spiral

Round this town of steam
E
My Body tells me no! But I won't quit
I want more, I want more **A**

E
My Body tells me no! But I won't quit
I want more, I want more! **A**

E
Stop! The train is riding
Down to the station where I lived **A**

When I was a cool kid
E
Hey! Is it my fault that
The fallen embers burn **A**

Down in a spiral

Round your crown of thieves

E
My Body tells me no! But I won't quit
A

I want more, I want more
E
My Body tells me no! But I won't quit
I want more, I want more! **A**

And it rides out of town

Oh, it's my road
It's my road
It's my road
It's my road
It's my road
It's my road

And it's my war
It's my war
It's my war
It's my war

His eyes are open
His eyes are open

Oh, cause I want more
I want more
I want more

His eyes are open
His eyes are open

Hey, hey, hey-

E
My Body tells me no! But I won't quit
I want more, I want more **A**

E
My Body tells me no! But I won't quit
I want more, I want more! **A**

And it rides out of town
