

# Young The Giant - Superposition

Tom: C  
Intro: C G D D  
C G D D

Am  
I don't believe in fate  
G D D  
No psychic vision  
Am G D D  
But when things fall into place - superposition  
Am G D  
In any universe you are my dark star

C G  
I want you to want me  
D D  
Why don't we rely on chemistry  
C G  
Why don't we collide the spaces that divide us  
D D  
I want you to want me  
( C G D D )

Am G D D  
Superstition aims with imprecision  
Am G D D  
But when things can't be explained - superposition  
Am G D  
In any universe you are my dark star

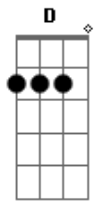

C G  
I want you to want me  
D D  
Why don't we rely on chemistry  
C G  
Why don't we collide the spaces that divide us  
D D C G  
I want you to want me  
D D  
I want you to want me

G Em  
No matter what we do  
Em7 Am7  
I'll be there with you!  
( Am7 )

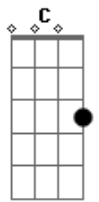

C G  
I want you to want me  
D D  
Why don't we rely on chemistry  
C G  
Why don't we collide the spaces that divide us  
D D  
I want you to want me

[Final] C G D D  
C G D D
