Yuck - Shook Down

```
Tom: G
Intro: C D G Em
      CDGEm
               D
To collapse in a sugar cane
G
               Em
Suck it sweet to kill the pain
                     D
There was someone i was looking for
G
                  Em
There is no more
                      D
C
My tongue is weak from a kick or two
                  Em
The word is dry, I think of you
                 D
C
Tie my face to the back of a jet
                  Em
To keep my essence there
             D
And its been a week
    G G
                  Em
And its been a week too long
      D
There are several things
 G G B7
that i've been doing wrong
     С
You see the time it takes for you
G G Em
Is the time it takes for me
    Am
0hhhh....
 D
So don't agree
(CDGEm)
(CDGEm)
                D
If it's late then I will go
G
                  Em
Turn the lights out, turn it slow
```

D

Like you turned me upside down

G Em And faced the ground D Spinnin' left I spin at you Em Listen girl I think of you D С Back up by the back of the chair Em I left you there C D And its been a week G G Fm And its been a week too long C D There are several things G G B7 that i've been doing wrong С You see the time it takes for you G = G = EmIs the time it takes for me Am 0hhhh.... D So don't agree С $\mathsf{E}\mathsf{m}$ You can be my destiny D G You can mean that much to me С Fm You can be my destiny G D You can mean that much to me C Em You can be my destiny D G You can mean that much to me С Em You can be my destiny G D You can mean that much to me С Em You can be my destiny
