

# Yuna - Crush (feat. Usher)

Tom: C  
Intro: F G Am F G Am

F G Am  
You call me on a lazy afternoon

F G  
Asking me what I'm up to

Am  
Let's find something to do

F  
Baby I'd be down, down, down

G Am  
Down, down, down, down, down, down

F  
You know I'd be down, down, down

G Am  
Down, down, down, down, down, down

F G Am  
I see you arriving in your car

F G  
Jet black Mercedes, built in the 70s

Am  
Classic like you and me

F  
I'll be coming down, down, down

G Am  
Down, down, down, down, down, down

F  
I'll be down, down, down

G Am  
Down, down, down, down, down, down

F G  
I feel a little rush

Am  
I think I've got a little crush on you

F G  
I hope it's not too much

Am  
But babe when I'm with you, I hear it

My heart singing

F G Am  
La, la, la, la, la, la, la, la-la

F G Am  
La, la, la, la, la, la, la, la-la

F G Am  
Honestly I shouldn't waste time no more

F G Am  
Cause all these little boys you're chasing, did they break your heart?

F  
I know you've been down, down, down

G Am  
Down, down, down, down, down, down

F  
I won't let you down, down, down

G Am  
Down, down, down, down, down, down

F G  
I feel a little rush

Am  
I think I've got a little crush on you

F G  
I hope it's not too much

Am  
But babe when I'm with you, I hear it

My heart singing

F G Am  
La, la, la, la, la, la, la, la-la

F G Am  
La, la, la, la, la, la, la, la-la

F G  
If you feel the same

Am  
I see it in the way that you behave around me

F G  
And I can tell

Am  
What we have is different from anyone else

F G  
Cause you stop doing what you're doing

Am  
When I call you come to me running

F G  
And I would do the same for you

Am  
So tell me that you feel it too

F G  
I feel a little rush

Am  
I think I've got a little crush on you

F G  
I hope it's not too much

Am  
But babe when I'm with you, I hear it

My heart singing

F G Am  
La, la, la, la, la, la, la, la-la

F G Am  
La, la, la, la, la, la, la, la-la

F G  
I think I've got a crush, babe

Crush on you too

Am  
Feel a little rush, baby

And I feel it too

F G  
I think I've got a crush, babe

Crush on you too

Am  
Feel a little rush, baby

## Acordes
